REGULATIONS

§ 205.101 Certification—request and processing.

(a) To obtain certification of a system, a written request for certification must be filed together with such documents as show that the system complies with the Section. If such material is voluminous, a summary, table of

contents, and index must accompany it as necessary to facilitate review.

(b) The request must:

(1) Include an introductory explanation of how the system will operate;

(2) Identify the information which will be required to be supplied on an EFS;

(3) Identify where an EFS, amendment thereto, or continuation thereof, will be filed and, if elsewhere than with the system operator, explain how and in what form the system operator will receive information needed to compile and update the master list;

(4) Explain the method for recording the date and hour of filing of an EFS, amendment thereto, or continuation thereof;

(5) Explain how the master list will be compiled, including the method and form of storage and arrangement of information, explain the method and form of retrieval of information from the master list, the method and form of distribution of portions of the master list to registrants as required by subsection (c)(2)(E), and the method and form of furnishing of information orally with written confirmation as required by subsection (c)(2)(F) (details of computer hardware and software need not be furnished but the results it will produce must be explained);

(6) Explain how the list of registrants will be compiled, including identification of where and how they will register, what information they must supply in connection with registration, and the method and form of storage and retrieval of such information (details of computer hardware and software need not be furnished but the results it will produce must be explained);

(7) Show how frequently portions of the master list will be distributed regularly to registrants;

(8) Show the farm products according to which the master list will be organized;

(9) Show how the system will interpret the term "crop year" and how it will classify as to crop year an EFS not showing crop year;

(10) Show what fee will be charged and explain how the costs of the system will be covered if not by such fee and the general revenue of the State;
